How to determine your ring size

USE A RING TO FIND YOUR RING SIZE

To find your ring size, please print the conversion chart page making sure the "Scale to fit" option is unchecked in the print dialogue box. Use a ruler to check that the scale corresponds to the scale on the page.

Please have a ring handy that you wear on the same finger as the Bulgari ring you are currently interested in. Engagement and wedding rings are traditionally worn on the ring finger of the left hand.
