BRACELET SIZER TOOL
How to measure your bracelet size

1. Print this PDF, making sure the "Scale to fit" option is unchecked in the print dialogue box. You can also use a ruler to check that the Bvlgari bracelet sizer is scaled to 100%.

2. Carefully cut along the outline of the printable bracelet sizer.

3. Make a small slit on the line on the left end of the sizer.

4. Wrap the sizer around your wrist with the numbers facing outwards.

5. Pull the pointed end through the slit and pull until the sizer corresponds to the desired circumference of your bracelet.

6. Read your measurement on the sizer and compare it to the Bvlgari bracelet size chart.
